The
Elizabeth Duke
collection offers you
more jewellery
for your money

Mr. Arnie Seiwald, a fellow of the Gemmological Association of Great Britain has been responsible for the selection of our prestige range of elegant jewellery by Elizabeth Duke. Mr. Seiwald writes:

There are many reasons why the Elizabeth Duke collection offers you more jewellery for your money. Firstly, we have cut out the middlemen—we buy direct. Secondly, we buy ahead to avoid the increases caused by the ever-rising costs of gold, silver and precious stones. Thirdly, apart from jewellery, we sell a wide range of products so our huge turnover enables our jewellery Division to operate without the jeweller's traditionally high profit margin.

Full Satisfaction or Money-Back Guarantee

The lifetime skills of experts assure the value of the jewellery you buy from us. With each engagement ring or eternity ring you have the calm security of a Valuer's Certificate.

The line lays down specific requirements for hallmarked gold and silver jewellery. Elizabeth Duke jewellery fully meets these requirements. But whatever you buy you also have the reassurance of our money-back guarantee (see page 226 of this catalogue).

Discount prices on everything.

Buying is Easy

Check what you want from the master catalogue on the shelves.

Fill in the simple Selection Form: catalogue number and quantity, then take it to the Service point. Our staff will be pleased to help you if you need assistance.

Your purchases come from the stockroom while you make payment. Simply take them home, it's as easy as that.

5 Ways to Pay

1. With Cash
2. By Cheque: Cheques up to £50 are accepted immediately if accompanied by a Bankers Card
3. By Credit Card. We welcome purchases made with Access or Barclaycard
4. By the new Argos Credit Scheme to help with your larger purchases
5. Green Shield Stamps: You can get a second discount with Green Shield Silver books as full or part payment. Each filled book saves you £10 off the Argos price. If you have enough filled books, you can get your purchase absolutely free.

Our Pricing Policy

The Argos prices shown in this catalogue are, where possible, compared with Recommended Retail Prices provided by our suppliers. Where recommended prices are not available generally, they have provided Suggested National Retail Prices.

All sizes and capacities are approximate. It is possible that descriptions may have changed if the supplier, for instance, has altered his specifications or that there has been a change of the supplier after the catalogue has gone to press.

This catalogue, published in February 1980, supersedes all previous catalogues or brochures and remains in effect until further notice. Argos prices stated in the catalogue were established during December 1979.

Information is compiled with all possible care, but the publishers do not hold themselves responsible for errors or omissions.

No Hidden Extras

Argos prices already include VAT so there are no 'hidden' extra costs to pay. Because our prices are low you pay less VAT.

Our trading policy is to provide you with big savings on everything we sell, but in the event of changes in the rate of VAT, or for any other reason beyond our control, we may have to make adjustments, so please check the Master Catalogue in your Argos Showroom.

Star Value Bargains

Watch out for products which display the red 'Star Value' badge in your showroom. These are items which have been reduced in price for a limited promotional period or offer exceptionally outstanding value for money.

The Red Star always signifies an event not to be missed and, at Argos, 'Star Value' means a Star Bargain.

Guarantee

FULL SATISFACTION
OR MONEY-BACK

In addition to your statutory rights as a customer, Argos gives you a generous Full Satisfaction or Money-Back Guarantee. We will exchange or refund you for any unused item which does not meet your exact requirements.

Simply replace the item in the original carton or wrapping and return it to us with your receipt within 14 days of purchase. We want you to be entirely satisfied with every purchase you make at Argos.

Attractive Gift Vouchers

For Personal Use. You can obtain Gift Vouchers at all Argos showrooms. They are available in sums of £1, £2 and £5 and make ideal presents for all occasions.

As Incentive and Promotional Prizes. Argos Gift Vouchers make attractive prizes for staff incentive schemes for companies, clubs and trade associations. They have the advantages of simplicity and acceptability - with a ready-made catalogue of high quality, famous name products at discount prices and Argos showrooms throughout the country. You may qualify for a cash rebate on bulk incentive orders. If you are planning a prize-incentive scheme, we shall be pleased to help you - just ring 01-651-1363, extension 84.
